

KENWOOD ACADEMY HIGH SCHOOL / UNIVERSITY OF CHICAGO MAGNET PROGRAM

APPLICATION PROCEDURES 2012-2013

Thank you for your interest Kenwood Academy High School. We are one of the top-ranked high schools in the City of Chicago that has the academic strengths of a selective enrollment school. Kenwood's challenging environment encourages students to develop an appreciation and love of intellectual discovery. Subject matter, instructional materials, and teaching methods are adapted to aptitude and need so that each student has the opportunity to explore and grow at his or her own pace. Kenwood's challenging curriculum, dedicated and professional faculty, supportive programs, and partnerships with outstanding institutions of higher learning help students build the academic and interpersonal skills necessary to reach their fullest potential.

The Kenwood Academy High School / University of Chicago Magnet Program is designed to offer students access to a rigorous course study so that they are prepared to succeed in Advanced Placement and college courses as upperclassmen at Kenwood. With this goal in mind, all Magnet Program students must complete at least two honors classes each year and complete at least two Advanced Placement or college courses before they graduate.
